PRESENTED BY THE SENIOR CLASS
CHETEK HIGH SCHOOL, CHETEK, WISCONSIN

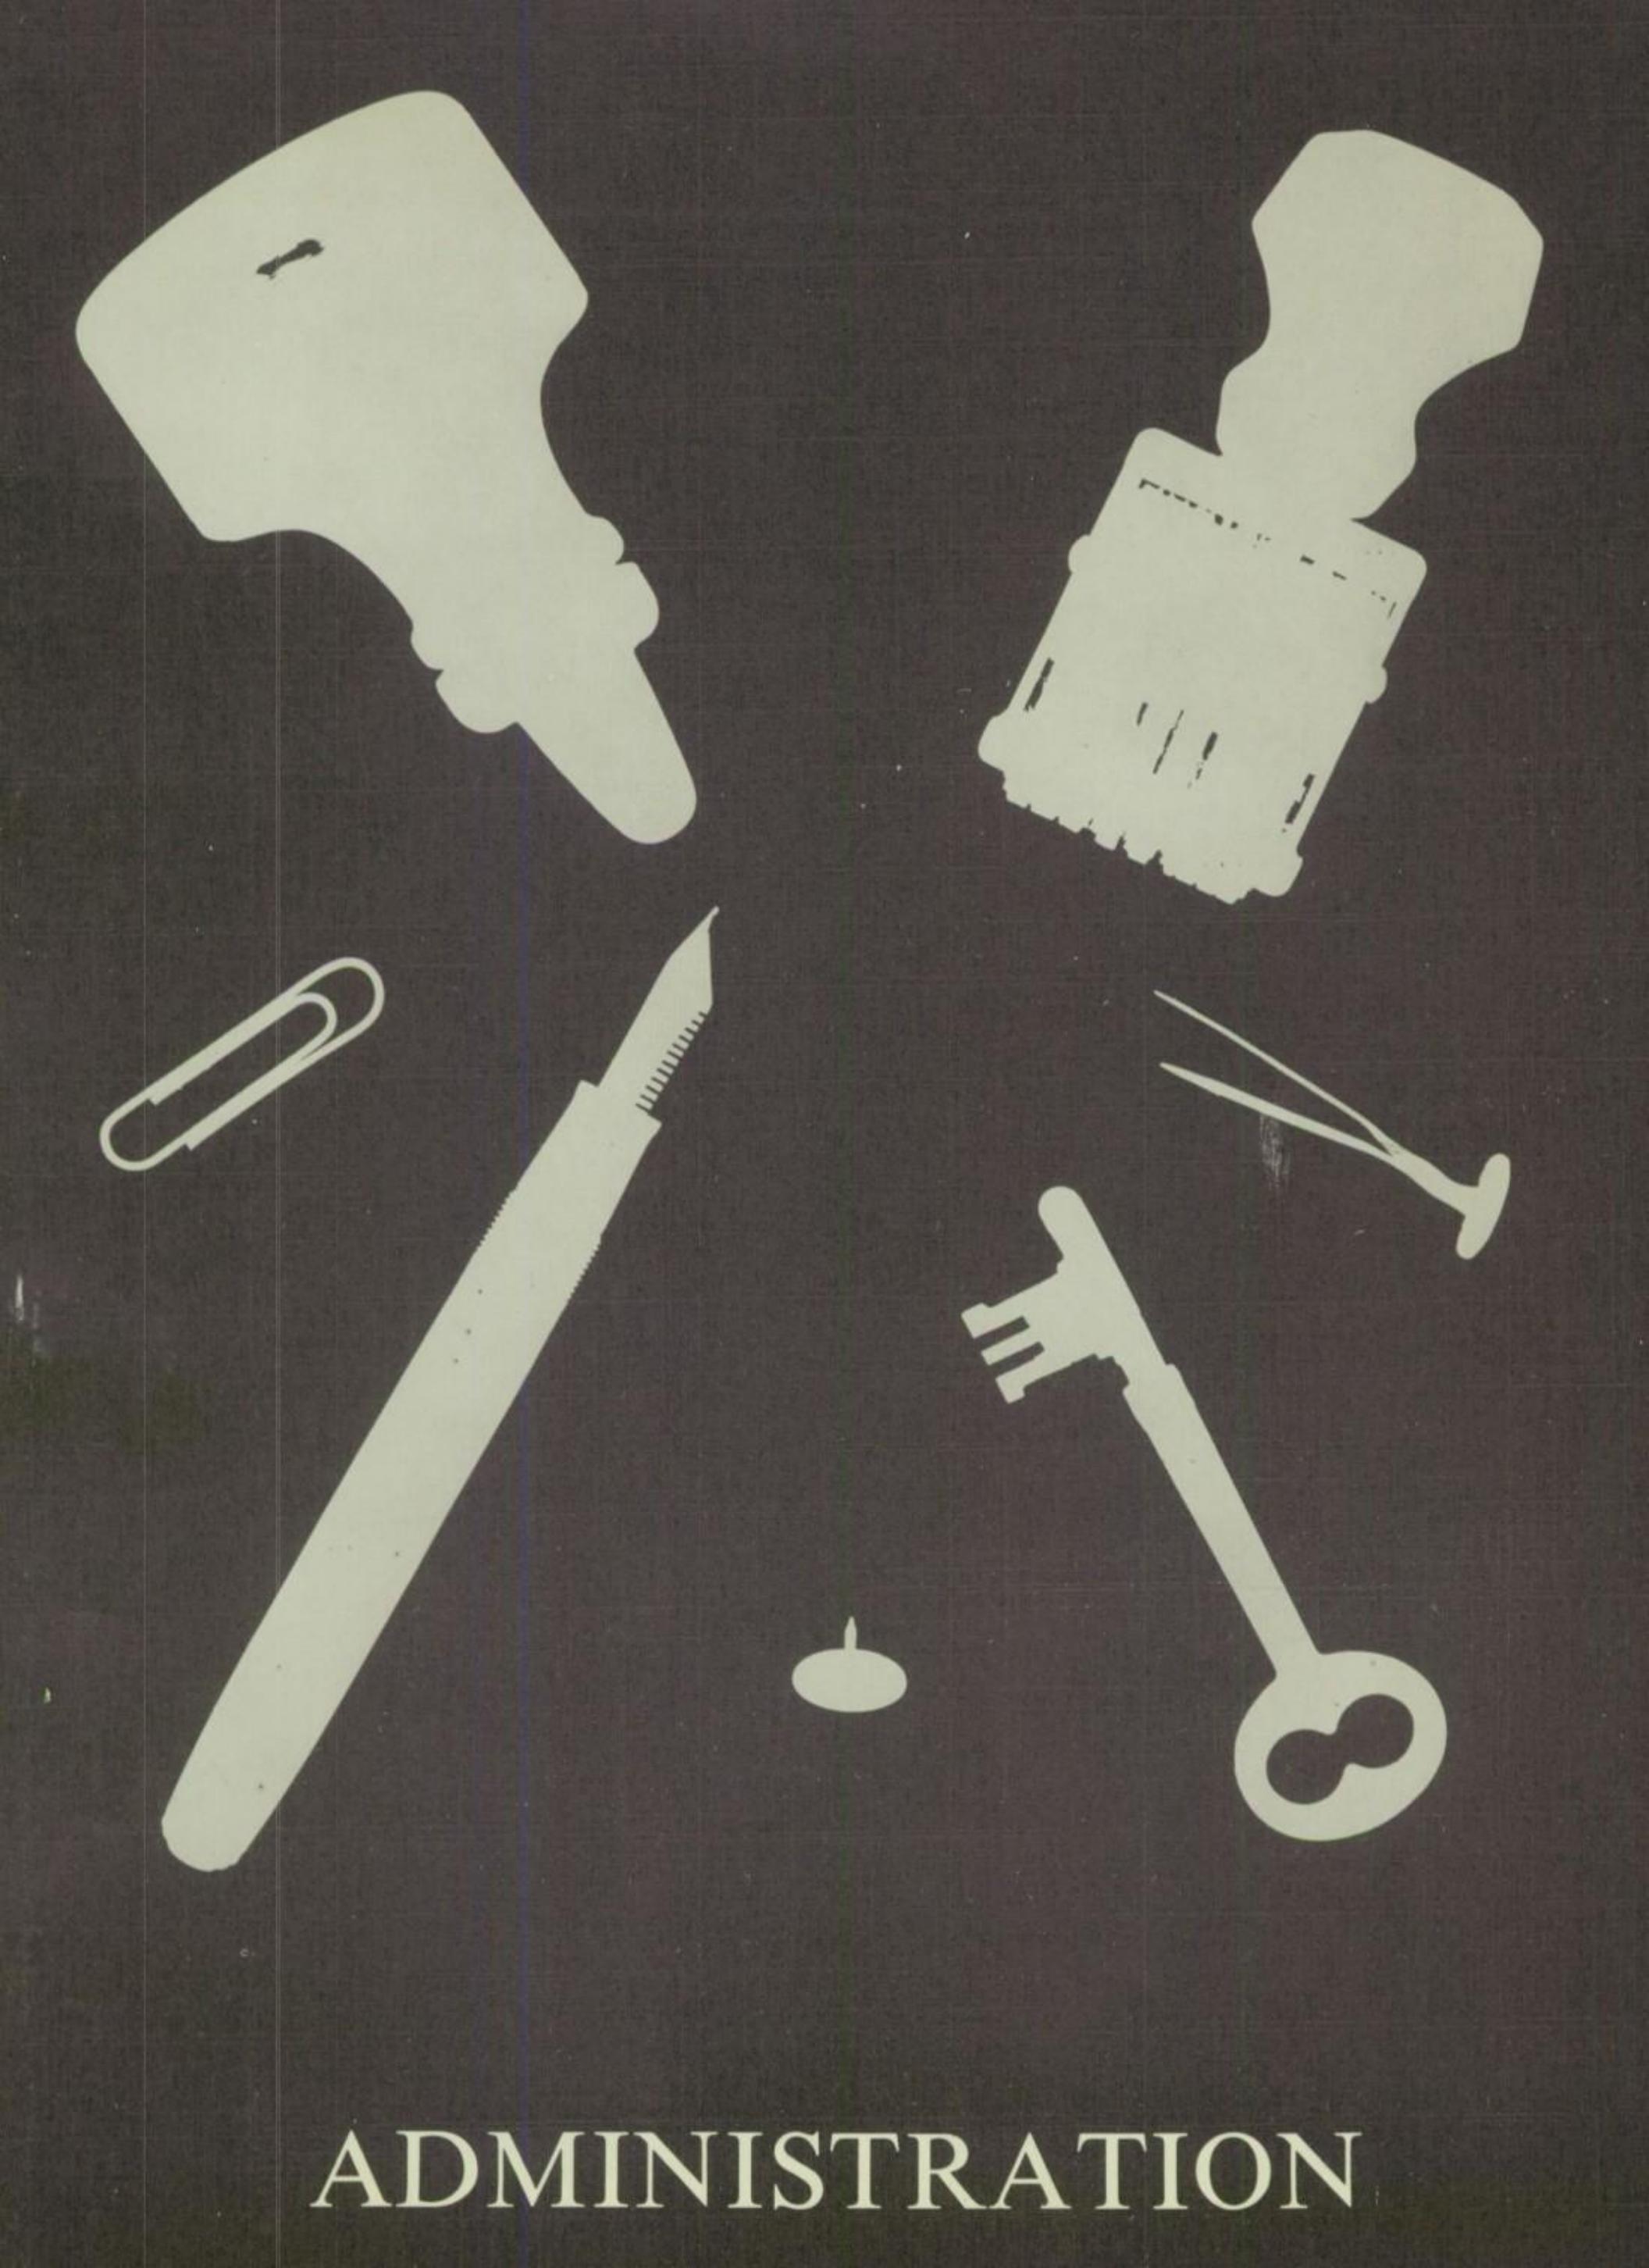

DEDICATION

Mr. Dewey has been an outstanding member of our faculty for five and one-half years. His excellent bands and outstanding musicianship have made him well-known throughout this area.

His helpful and friendly attitude both in and out of school has made him a favorite among the students.

It is indeed with sincere, best wishes that we dedicate our yearbook to you, Mr. Dewey.

ADMINISTRATION

SCHOOL BOARD

B. Van Hollen, G. Christianson, H. Knutson
B. Banks, R. Brockberg

The year 1955-56 has been a busy one for the Chetek School Board. We have held meeting after meeting in connection with the new building being constructed. Our hope is that when school is ready to start in the fall that the building will be ready for occupancy.

We have gone through a mid-term change of supervising principals and the change has been made without any difficulties or major changes.

We on the board feel that we have an excellent staff from the superintendent on down and we feel that our students are getting an excellent education due to a well trained and efficient staff.

PRINCIPAL'S MESSAGE

My sincere thanks to the Class of 1956 for granting this privilege of extending my greetings to the Chetek High student body and especially to the members of the graduating class.

As time passes and your class motto, "Today a dream--tomorrow a reality," is being fulfilled, may you look back to your days in Chetek High School and know that just as your school was a part of that dream, so is it anxious to be of service when you are encountered by the realities of tomorrow. Please call on us, if we can ever be of help to you.

Congratulations, Class of 1956, for reaching this milestone in your life. Good luck!

Sincerely yours,

Carl Gerber
